## Be A Real Woman.

No. 203 Peace Avenue, Boston, Texas, May 14, 1905.  
I was barren during the six years of married life, suffering with painful menstruation and a dozen other aches and pains. I was a poor excuse for a wife as I was not able to be up more than about half the time and daily grow weaker and weaker.  
Wine of Cardui changed me into a different woman in five short months, made me robust and strong.  
I am very grateful to you for my good health and am today blessed with a baby who is the pride of our home and this all due to your medicine.  
*Mrs. Emily Mason*  
Vine-Passenger, Houston, Missouri's Clerk.

Wine of Cardui brings health to sick women. Wine of Cardui brings children to barren homes.

How can any woman refuse the health Mrs. Mason has? Any woman can secure exactly the same relief if she will take Wine of Cardui. Wine of Cardui is a certain cure for menstrual irregularities. It will not do impossibilities but it does cure bearing-down pains, makes motherhood possible for barren wives and relieves the pains at the monthly period. Secure a bottle of Wine of Cardui today. All druggists sell \$1.00 bottles Wine of Cardui.

## STATE NEWS.

Items of Interest Clipped From our State Exchanges.

The Secretary of State on Wednesday issued a charter for the Shuford-Boggs Company, of Fayetteville, the purpose being the manufacture and sale of clothing. The capital is \$10,000 and the incorporators are M. E. Shuford, B. F. Rogers, and H. F. Schenck.

Hederson Gold Leaf—Our friends in the country who want good roads should not neglect to go to the polls next Tuesday and vote. They may be too busy to spare the time, but the time and money lost on the heavy mud roads that now curse the country is a much more serious proposition.

Raleigh News & Observer:—We do not know where the chief blame rests—whether with the refrigerator companies which seem to be the chief sinner, or with the railroad for not securing the cars, but there is one thing that does not admit of to pay the growers for every quart of berries that rotted for lack of rapid transportation facilities.

Elizabeth City Economist:—One of the most successful and interesting revival meetings that has been held in this city in years is now in progress at the Blackwell Memorial Baptist church, of which Rev. W. A. Ivers is pastor. Rev. J. M. Haymore, of Spencer, is conducting the meeting and is delivering one of the strongest series of sermons ever heard here.

Kinston Free Press:—Mr. John Dixon, aged 61 years, dropped dead Thursday in his field near Rainbow church, Greene county, while plowing. He was an industrious and highly esteemed citizen of his county and one of Greene's prominent farmers. Mr. Dixon was the uncle of Mr. D. V. Dixon of this city, who went to attend the funeral at Rainbow church today.

Clarkton Express:—The farmers are going to experience some difficulty in getting their cotton chopped this spring on account of the hands nearly all being in the strawberry fields. If the trucking business continues to expand, the farmers will be compelled to install the latest improved farm machine and not depend at all on the colored labor. This they would find much more satisfactory any way after becoming accustomed to it.

Elizabeth City Economist:—The New Bern Journal has two stories, of a strange more recent long. A traveling wagon driver, 2500 pounds, near New Bern. That reminds me, that when they looked a chub at the "Fresh Pond" at New Bern, it took three logs to land on the beach, and that touched the ground on a horse's back, and we once wanted 3,000 shad at one haul at greenhead ashery on Albemarle sound, and eleven sturgeon at the same haul.

On Tuesday the dead body of John Taggart, colored, was found near Amity, in Iredell county. Taggart was recently discharged from the Iredell county chain-gang. At a negro gathering near Amity last Friday night Asher Clark became jealous of Taggart's attentions to his wife and struck him on the head with a stick. He has since been heard to boast that he gave the other negro a good lick but it was not thought that any serious results would follow. It seems that Taggart crawled off in the woods and died and his remains were only found Tuesday.

Raleigh News and Observer:—A ruling of interest in the case of Hester vs. Traction Co., from Durham, the Supreme Court holding in this case a land owner in a town has no more right to the sidewalk in front of his property than he has to the middle of the street. In the case in question, the plaintiff owned property at the point of a curve in the street and it was found that the track cut in a few inches on the sidewalk. The plaintiff brought suit for damages, the Supreme Court ruling him out however on the ground that he had no claim.

## A Baby's Birth

is very much like the blossoming of a flower. Its beauty and perfection depends entirely upon the care bestowed upon its parent. Expectant mothers should have the tenderest care. They should be spared all worry and anxiety. They should eat plenty of good nourishing food and take gentle exercises. This will go a long way toward preserving their health and their beauty as well as that of the little one to come. But to be absolutely sure of a short and painless labor they should use

## Mother's Friend

regularly during the months of gestation. This is a simple liniment, which is to be applied externally. It gives strength and vigor to the muscles and prevents all of the discomforts of pregnancy, which women used to think were absolutely inevitable. Mother's Friend is used there is no danger of its being absorbed.

## Wants The Encampment.

Charlotte, N. C., May 5.—The aldermen of Charlotte in a meeting today petitioned Governor Glenn to name Charlotte as an encampment site for the State troops. The petition was gotten up at the instance of Adjutant General Robertson, who thinks there is a strong probability of Governor Glenn naming this city. The action of the board will be forwarded to Governor Glenn to-morrow.

## Gets \$4,000 Damages.

Charlotte, N. C., May 5.—A verdict for \$4,000 was returned today by the jury in the case of Robert K. Smith against the Southern Railway. Smith, while in the employ of the company, sustained injuries to one of his feet which the physicians say will necessitate amputation later.

Let go or die. That's the alternative of the shipwrecked man with the money bags. A great many people have a like alternative before them. Business men come to a point where the doctor tells them that they must "let go or die." Probably he advises them to leave or mountain air. There's an obstinate cough that won't be shaken off. The lungs are weak and nervous system is deranged. There is emaciation and other symptoms of disease, which if not fully or properly treated terminate in death.

Thousands of men and women in a like condition have found complete healing by the use of Dr. Pierce's Golden Medical Discovery.

It is no pleasure to send you this testimonial so that some other poor sufferer may be saved, as I was by Dr. Pierce's Golden Medical Discovery," writes Geo. A. Thompson, of Sheldon Ave., Chatham, Ont., Canada. "I had a cough for years, expectorated a great deal, and was slowly failing. Was lost sleep every day, sleep in bed from 150 pounds down to 125. My flesh got soft and I had no strength. One day my wife was reading in the 'Common Sense Medical Adviser' about Dr. Pierce's Golden Medical Discovery, and I said, 'that sounds more like common sense than anything else that I had heard.' I at once bought a bottle of your famous remedy and before I took it I had of one bottle I felt better. Took thirteen bottles and it made me strong. I gained sixteen pounds and never have had a cough since. I feel splendid and give all the credit to your medicine."

Dr. Pierce's Pleasant Pellets cure bad, foul stomach and constipation and so help to cure nearly every disease of man and woman. They regulate, tone up and invigorate stomach, liver and bowels.

## A Simple Remedy for Acquiring Hard Muscles and a Sound Body.

A number 12 bore gun when loaded with three drams of powder will send a load of shot further and shoot harder than if it double this amount of powder is used.

If too much powder is used, all of it will not explode until it leaves the muzzle of the gun.

That portion which does not explode at the proper time, interferes with the direction, and checks the velocity or force of the shot.

Hard muscles and a strong body do not depend on the quantity of food, but on its perfect digestion and proper assimilation.

If the nutritive properties of all of the food that may be eaten are appropriated by the blood and tissues, the muscles of the body will grow harder and stronger, whether you eat much or little.

You may be well, but not strong. What you want is strength—physical force.

You do not have to be sick to need Kodol Dyspepsia Cure.

Thousands of men and millions of women have need for just what Kodol Dyspepsia Cure will do for them.

A little Kodol after meals, will enable the stomach and digestive organs to digest and assimilate every atom of all of the wholesome food that may be eaten.

It will do more.

It will enable the stomach to extract from the food all its nutritive properties, and contribute the same to the blood.

It will enable the blood to circulate freely and deposit a full quota of this tissue-building and strength-giving material into every nook, corner, muscle and fibre of your whole being.

The result is perfect strength.

And perfect health.

Disease cannot lay hold on the man or woman whose physical condition is thus fortified.
